Helpful Hints

Bring Photos

All bridal party members should come to their hair appointment with an idea of the look that they would like to achieve. Photos are especially helpful, for hair and make-up. Also, bring any hair pieces that will be used.

Highlights and Color Touchups

We recommend having you and/or your bridal party schedule highlights and color touchup 1-2 weeks prior to the wedding date. Be sure to mention to your stylist how you will be wearing your hair and talk through the desired look and placement of your foiled highlights or lowlights. Doing an all over color 1-2 weeks before the wedding will ensure you color has time to relax and is the correct hue and shade you desire.

The Night Before

All bridal party members should shampoo their hair and add product for hold the night before their scheduled service. Up-do(s)/Styles will retain their look longer when the hair is not freshly shampooed.

What to Wear

All bridal party members are advised to wear buttoned-down shirts.

On “The Big Day”

Congratulations and enjoy your day! Please make every effort to arrive for all of your appointments on time. This will allow our staff to provide the optimal service that you deserve on this day.
